

Anlin Pet Doors

THE STAR OF ENERGY SAVINGS

Pets that can get out to exercise tend to be healthier and happier.

Anlin Malibu sliding doors and swinging French doors can be made with an in-glass pet door built right into the glass. With the slim design of the Anlin Pet Doors, sliding doors can be opened fully even when the pet door's closure panel is inserted and latched. Anlin Pet Doors are available in four sizes so you can choose the size just right for your pet. You will love the look and the freedom it gives you and your pets.

Features:

- ▶ Heavy-duty frame made from high strength aluminum to withstand even the toughest pets.
- ▶ Durable flap with multiple magnetics and high density weatherstrip to provide the best barrier against the elements.
- ▶ Can be placed in any lower corner of your Malibu sliding or swinging French door, including moveable and stationary panels.
- ▶ With the slim design of the Anlin Pet Door, sliding patio doors can be opened fully even when the pet door's closure panel is inserted and latched.
